$$\text{Heart with white polka dots} = 4$$

$$\text{Heart with concentric outlines} = 2$$

$$\text{Heart with white grid pattern} = 16$$

$$2 \times \text{Heart with white polka dots} = 8$$

$$2 \times \text{Heart with white polka dots} \times \text{Heart with white polka dots} = 88$$

$$\text{Heart with white grid pattern} + 2 \times \text{Heart with concentric outlines} = 18$$

$$\text{Heart with white polka dots} + 2 \times \text{Heart with white grid pattern} = 1620$$
